

Sept 20, 2021

Dear University of Alberta Family Medicine Residents,

On behalf of the PEER Team ([www.peerevidence.ca](http://www.peerevidence.ca)) thank you again for joining us for your EBM Worskshop in August. As presented, we compiled resources we think you will find useful during your residency.

**Tools for Practice:** one-page evidence summaries on clinically relevant primary care topics. By Family Docs for Family Docs! No charge, conflict free and sent to your email every 2 weeks.

<https://gomainpro.ca/tools-for-practice>

**RxFiles:** <https://www.rxfiles.ca/rxfiles>

**ACP Journal Club:** <https://www.acpjournals.org/topic/category/journal-club>

**Dynamed:** <https://www.dynamed.com>

**Price Comparison of Commonly Prescribed Pharmaceuticals:** want to know what common medications cost (and are covered by public plans)? <https://pricingdoc.acfp.ca>

**Clinical Decision Aids:** You may find these useful in your clinical encounters:

CV Risk calculator: <https://cvdcalculator.com/>

SPARC Tool: AF decision aid: <https://www.sparctool.com/>

Mayo Diabetes Decision Aid: <https://diabetesdecisionaid.mayoclinic.org>

Mayo Osteoporosis Decision Aid: <https://osteoporosisdecisionaid.mayoclinic.org/>

Canadian Task Force (primarily screening): <https://canadiantaskforce.ca/>

Podcasts: BS Medicine: <https://therapeuticseducation.org>

EBM Workshop webpage: <https://sites.google.com/ualberta.ca/ebm/home>

How to Read a Paper in 10 minutes:

[https://therapeuticseducation.org/sites/therapeuticseducation.org/files/Ten\\_Minute\\_Critical\\_Appraisal\\_of\\_an\\_RCT.pdf](https://therapeuticseducation.org/sites/therapeuticseducation.org/files/Ten_Minute_Critical_Appraisal_of_an_RCT.pdf) or You tube: <https://youtu.be/xxX1k1oaLrA>

Overview of clinically relevant studies: [www.mystudies.org](http://www.mystudies.org)

BMJ Rapid Reviews: <https://www.bmj.com/rapid-recommendations>

**PEIP 2021 conference Edmonton, Oct 22-23, 2021**

We look forward to seeing you at Alberta's largest primary care conference: <https://acfp.ca/cpd-cme/acfp-conferences/peip>

We hope you find the links / resources useful and enjoy your Family Medicine residency.

Please contact Mike Kolber or Tina Korowynk if you have any questions or suggestions for excellent resources your colleagues would appreciate.

Sincerely

Mike Kolber MD, CCFP, MSc  
Associate Director, PEER team
